“I am excited about *Unleashed*. Last year we had an amazing turnout and the girls had such positive feedback about their experience, we decided to make it an annual event,” said Chanel Evans, Founder and Executive Director. “Our team has worked tirelessly to put together a dynamic program that engages young girls at all levels. Through our efforts we want to sow positive seeds that help youth deal with peer pressure, self esteem, career planning, and more,” she said.

Admission is free with at least 3 cans of food that will be donated to the Capital Area Food Bank, a charity which the organization frequently supports. To register, please visit:
